

# CAPABILITIES STATEMENT

## COMPANY OVERVIEW

The Tribute Companies is a single point of contact for cemetery products and services that enhance cemetery and funeral home operations, revenue, expansion or development.

As a family owned and operated business for four generations, Tribute continues to honor the commitment of supporting cemeteries for successful operations now and for many generations to come. By exceeding the expectations of cemetery owners and managers – and the families they serve – clients trust Tribute to provide ongoing operational support and assistance as well as to expertly handle future projects from construction to management to consulting.
